
ALLIANCE FRANÇAISE D'OXFORD

TRUSTEE RECRUITEMENT

We are actively looking to recruit an additional Trustee to join the Board. If you think you have the interest, the energy, the ideas and a little time to commit to furthering the promotion of the French language and all francophone cultures, literature, music and food then we would be pleased to hear from you.

WHO WE ARE

We are an independent charity founded in 2015 to promote French language and culture in Oxford and the surrounding area. We offer excellent quality French classes for all ages and abilities delivered by fully qualified, native French speaking teachers. In addition, we run an ongoing programme of varied and fun cultural events that are open to all.

We are proud to be a member of the global network of more than 800 Alliance Françaises (all co-ordinated by the Fondation Alliance Française in Paris). Although we operate independently, we share a common mission, ethics and values, not to mention a wealth of fantastic teaching resources. We have no political or religious affiliations and we respect cultural diversity. As a UK charity, the Alliance Française d'Oxford has a local trustee board registered with the Charity Commission

THE ROLE

The Trustees meet at least four times a year, and each one brings to the table their professional experience and knowledge aligned with their passion for the teaching and the learning of French. Their role is to guide the Director and her team of administrators and teachers in major decisions, finances and strategies (marketing, recruitment, events, outreach) to ensure an independent and financially balanced activity. We would be particularly interested in someone with employment law experience and/or someone from the corporate field with experience of French language requirement.

Meetings are conducted in English but if you wish to improve your French language we would be delighted if you enrolled on one of the courses to experience for yourself the excellent teaching offered by the Alliance.

If you are interested in submitting your name for consideration please email with a short covering letter outlining your reasons for wishing to join the Board and your relevant experience.
